

# The European Union Agency for Railways “ERA”

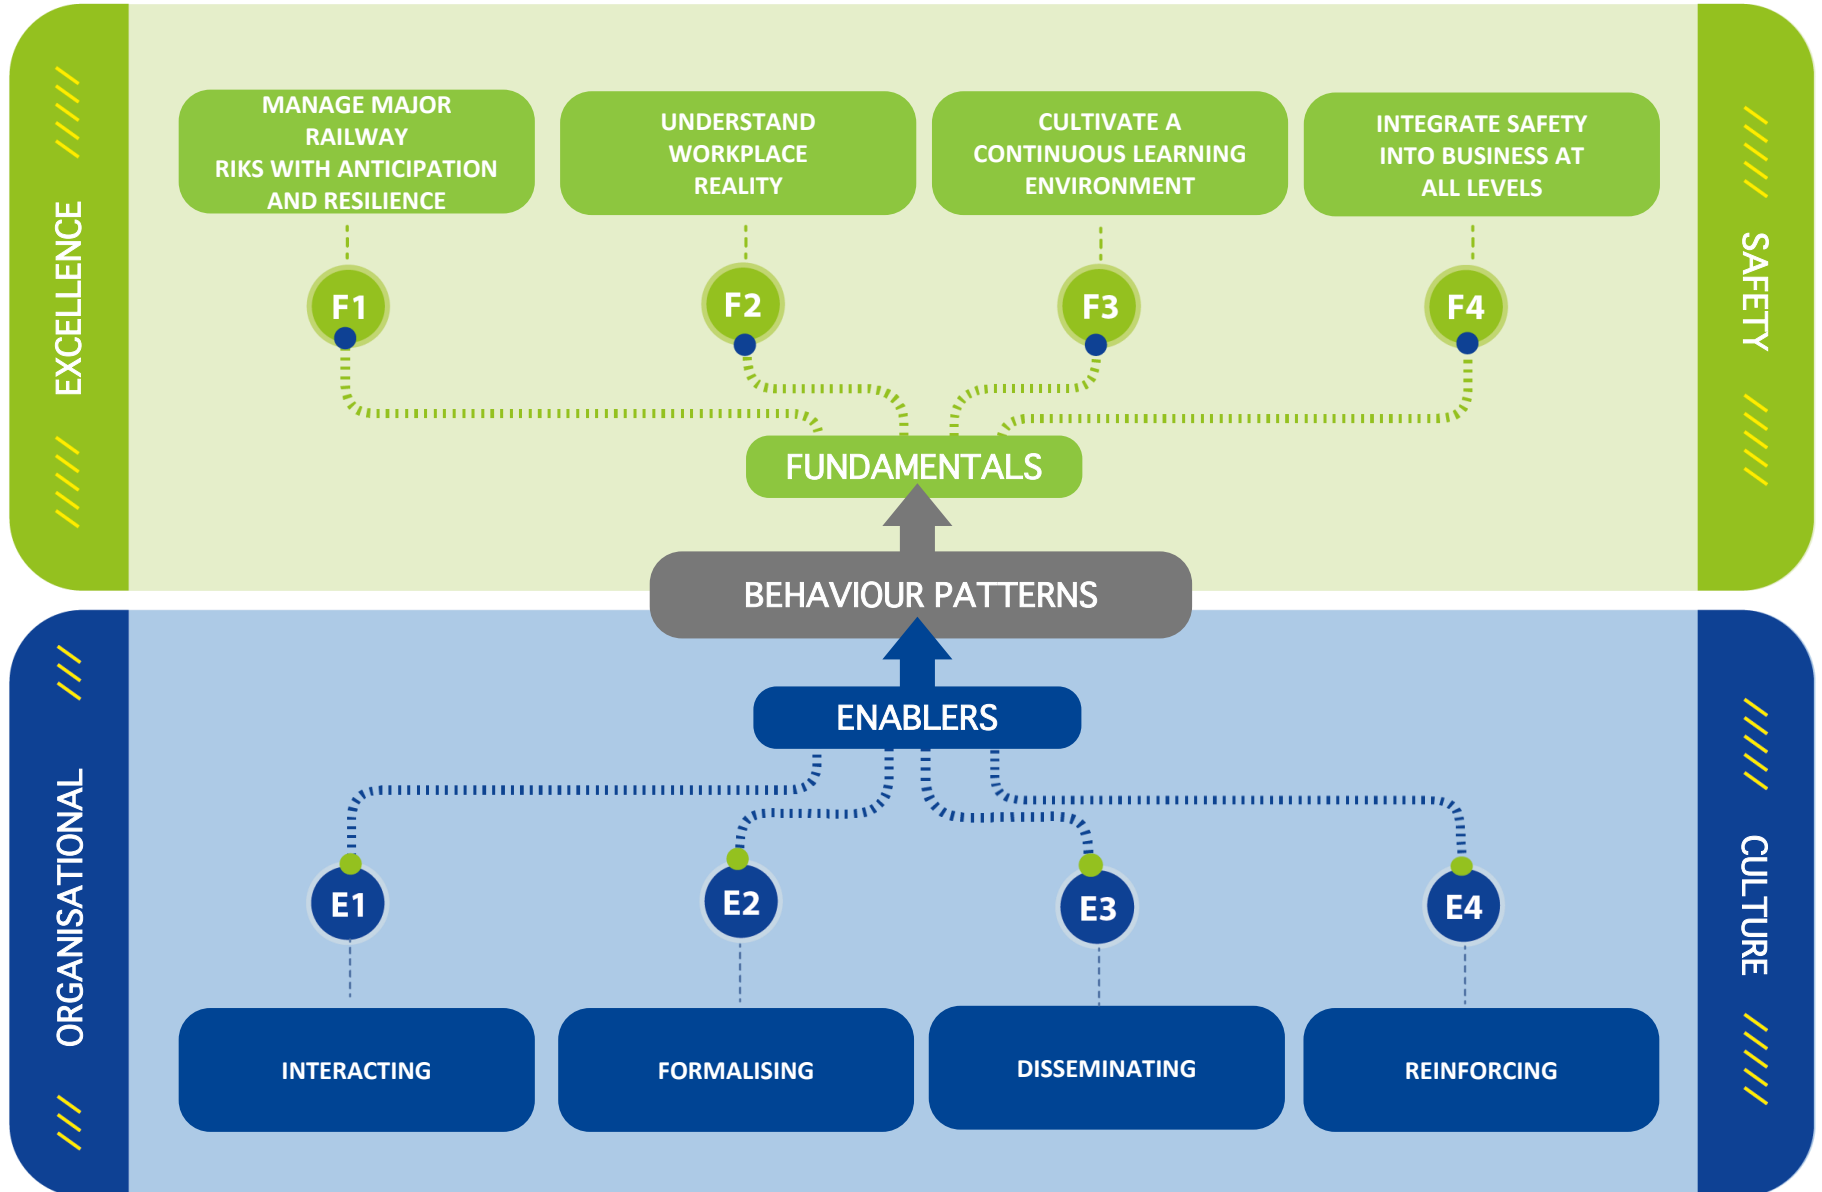

Conferenza Cultura della Sicurezza  
Firenze, 5<sup>th</sup> December 2018

Grégory Rolina and Antonio D’agostino

- Short refresher on the European Railway Safety Culture Model
- Breaking into three groups
- Groupwork: discussing the model in each group
- Back to plenum
- Presentation on the use of the model in relation to “Monitoring”

# European Railway Safety Culture Model: Components

# Railway Safety Fundamentals: Attributes

# Cultural Enablers: Attributes

# Instructions for group-work

- Break into three groups: A,B,C: (5 min)
- In rooms A,B,C: Divide into 8 smaller “teams”
- Each team will be appointed one fundamental or enabler. E.g. F.1
- Each group appoints a chair to lead the discussion
- Discussion: (15 min)
  - What is your understanding of the three attributes?
  - How does they relate to the way your company operates
  - Do you have examples (good or bad) which you can relate to the attribute
  - Which indicators could provide evidence of the attributes
- The chair gives a short (2 min) summary of the discussion for the group (20min)
- Back to plenum (5 min)

Making the railway system work better for society.
